Please note the following points:-

1) Carry your Rugby kit and towel in a separate bag or holdall - make sure your boots and shorts (blue) fit you and are in good condition and leave room for two Rugby shirts

2) RECOGNISED SCHOOL UNIFORM SHOULD BE BROUGHT - THERE WILL BE OCCASIONS WHEN IT WILL BE NECESSARY TO WEAR IT.

Anyone ignoring this, I am quite prepared to replace on Sunday morning.

3) Pocket money is your responsibility, either obtaining travellers cheques or foreign currency (I will do this for you provided I have the cash well in advance). The cost of living in Denmark is very expensive but you should only need money for incidentals and presents.

4) You will be staying with Danish families so a small gift for the lady of the house would be a pleasant gesture. To buy this in England will be cheaper than Denmark.

5) MAKE SURE YOU HAVE AND DON'T FORGET YOUR PASSPORT.

6) Bring a packed lunch for Sunday and snacks for the journey which will save money, as you will have to buy your food on route.

7) You must do some training and be fit - go along to your local Rugby Club, they will be training during August and will be only too pleased to see you.

While away on this venture I insist on the highest possible standard of behaviour and a clean and tidy appearance, hair and dress. Also that my requests (which will be reasonable and for the well-being of the School and party) are obeyed. Any boy who is not prepared to conform, I would rather he dropped out of the party now as there are boys who are very keen to fill any vacancies.

The total cost of the tour is in the region of £800, the £10 contribution from 20 boys brings in £200 and we made £100 from the raffle, but this still means the Feoffees who have been very generous are contributing £500 towards the trip, so they have every right to expect us to be good ambassadors for Old Swinford Hospital.

Special medical insurance to include playing Rugby is being taken out along with baggage and personal accident.

If for any reason you are not able to come, and this may include the fact that you decide to leave school, please get in touch with me as soon as possible so a replacement can be notified. We can be contacted in an emergency while away through :-
