CHANCE HOUSE

I would like to thank you all for attending this music competition and I hope that you will enjoy the music, especially ours !

Thanks must be given to everyone who helped to organise Chance House's entry and all of those who are performing (a list of performers on next page). I am very gateful to Alastair Cormell and Lawrence Hopper, my assistants. I am also grateful to Mrs. Smith and James Hale for their expert advice.

Chance House have endeavoured to give you a variety of instruments and styles of music. There are Trombones playing Purcell and electric guitars playing AC/DC. Classical, Romantic, Rag, Pop and Rock are all included in Chance House's entry. Please enjoy the performance.
