SCHOOL RULES

GENERAL

Boys are expected to behave well at all times, both within the school and outside, with common sense and full consideration for others. A community can only work well and for the good of all if every person in it conducts himself along these lines. Even if there is no rule forbidding some undesirable activity, breaking the unwritten rules of good manners and common sense will make the offender liable to punishment.

1. **School Premises** Everybody must take care of school property. If damage is done or something is broken, it must be reported at once to the **Bursar,** Mr. Broomhead (and Housemaster if appropriate). Any boy who defaces or writes graffitti on school property or buildings will be severely punished.
2. **Smoking** and the possession of cigarettes and matches is forbidden. A first offence will result in a £5 fine and a letter to parents; a second offence, a £10 fine and a letter. After a third offence, the matter will be reported to the Governors.
3. No boy may bring **alcoholic drink** on to the school premises. The consumtion of alcoholic drink is strictlt forbidden, except under certain circumstances with a member of staff or in the Sixth Form Club. Any boy who visits a 'pub' illegally or buys or consumes alcohol without permission is likely to be expelled from the school.
4. **Dress** School uniform is to be worn at all times except at the Headmaster's discretion. Only the official school ties and sweaters may be worn during school teaching hours. School rugby sweaters may be worn only in free time.
5. **Property** All personal property and clothing must be marked clearly with the owner's name. Money belonging to boarders should always be 'banked' with Housemasters. The school cannot accept responsibility for loss of property, which should not be left in classrooms or cloakrooms.
6. **Buying and Selling** Except with a Housemaster's approval, no buying or selling or borrowing of money may take place between boys. Any boy who wishes to trade with another boy must approach his Housemaster first.

7. **Leave of Absence** Boarders and Day Boys are expected to attend every lesson and each school function (including meals) unless leave of absence has been obtained in advance. A Day Boy who has been absent for illness must bring a note from his parents and hand it to their Housemaster on the day he returns. Any boy taken ill at school must report to the Sanatorium and must, whenever possible, inform personally or by messenger the master whose lesson or other activity he will be missing.

8. **Day Boys** (Apart from Sixth Forms). Day Boys must not go outside the School Grounds (Except boys with official permission to lunch at home), between morning and afternoon school, without the permission of the master on duty. A Day Boy excused Games must bring a note (a Doctor's Note when excused for more than a week)

9. **Dangerous Articles** Boys may not bring to the school any weapons. Boys must hand inflammable fuel to his Housemaster for safe custody when fuel is not in use. A Boarder must register with his Housemaster all items of electrical equipment.

10. **Bicycles etc.** Day boys may cycle to school with the permission of the Headmaster. Boarders in the Fourth Year and above may bring bicycles to school with the permission of the headmaster. Bicycles are to be ridden only by the owner and can, under no circumstances, be lent to other boys. Boys may not bring cars or motor cycles into the school grounds without the Headmaster's permission. No boy may travel in a vehicle driven by another boy in the school grounds. No bicycle may be ridden in the school grounds.

11. **Bounds** Boarders may only leave school at the times officially posted on boards, or with permission from the Housemaster.

12. **Appearance** Boys are expected to maintain a high standard of appearances at all times. Hair should be cut so as to be off the shirt or coat collar at the back. Hair may not be bleached, dyed, permed etc. Top buttons of shirts must always be done up and ties pulled up to the collar. Boys who fail to conform to appearance rules will be sent home.

13. **Punishment** No person, apart from a member of the teaching staff or a duly appointed school official, has power to impose punishment
