LEAVING SCHOOL GROUNDS

1. Boarders who need to visit the Town may only do so between 4.00 p.m. and 5.30 p.m. on particular days as defined below.
   Any school commitment must come first.

Years 1, 2 & 3	On one day, only with Housemaster's special permission.
Year 4	Fridays (or on one other day, with Housemaster's permission).
Year 5	Tuesdays and Fridays
Year 6	Any afternoon except Saturdays and Sundays.

   Boys should be in full school uniform with a school tie. Boys in Years 1, 2 and 3 must be accompanied by another boy. Boarders in Years 4 and 4 must obtain permission from their Housemasters to go into Town at any other time and this will only be given in very exceptional circumstances. A permission note will be issued.

   The Town is defined as the area within the Ring Road. Boys must always cross the Ring Road by the underpass.

2. Boarders are not allowed out of the school grounds before 4.00 p.m. Only Sixth Form boys are permitted to leave school grounds during the lunch period. Day boys may return home for lunch, if parents have made arrangements with the school, but other day boys may not leave the school grounds.

   Any boy leaving for medical appointments, whether private or arranged by the school, should let his Housemaster and the Sanatorium know.

3. Separate arrangements are published for boys needing to visit the area of Oldswinford Village.

4. When outside the school grounds appearance must be smart, and manners and behaviour exemplary. Masters, parents and friends of the school should be acknowledged politely. Avoid loitering or walking about in groups of more than three.

SCHOOL RULES

GENERAL

Boys are expected to behave well at all times, both within the school and outside, with common sense and full consideration for others. A community can only work well and for the good of all if every person in it conducts himself along these lines. Even if there is no rule forbidding some undesirable activity, breaking the unwritten rules of good manners and common sense will make the offender liable to punishment.

1. **School Premises** Everybody must take care of the school premises. If damage is done or something is broken, it must be reported at once to the **Bursar,** Mr. Broomhead (and also Housemaster if in a boarding house.) Any boy who defaces or writes grafitti on school property or buildings will be severely punished.

2. **Smoking** and the possession of cigarettes and matches is forbidden. A first offence will result in a £10 fine (to be given to charity) and a letter to the parents. Any offender will be reported to the Chairman of Governors for appropriate action.

3. No boy may bring **alchoholic drink** onto the school premises. The consumption of alcoholic drink is strictly forbidden except under certain circumstances with a member of staff or in the Sixth Form Club. Any boy who visits a 'pub' illegally or who buys or consumes alcohol without permission is likely to lose his place in the school.

4. **Dress** School uniform is to be worn at all times except at the Headmaster's discretion. Only the official school ties and blazers or sports jackets may be worn during school teaching hours. School rugby sweaters may be worn only in free time.

5. **Property** All personal property and clothing must be marked clearly with the owner's name. Money belonging to boarders should always be 'banked' with Housemasters. The school cannot accept responsibility for loss of personal property. Lost property is kept by the Deputy Headmaster to whom any losses should be reported.

6. **Buying and Selling** Except with a Housemaster's approval, no buying or selling or borrowing of money may take place between boys. Any boy who wishes to trade with another boy must approach his Housemaster first.

7. **Leave of absence** Boarders and Day Boys are expected to attend every lesson and each school function (including meals) unless leave of absence has been obtained in advance. A Day Boy who has been absent for illness must bring a note from his parents and hand it to his Housemaster on the day he returns. Any boy taken ill at school must report to the Sanatorium and must, whenever possible, inform personally or by messenger, the master whose lesson or other activity

contd ....

he will be missing. Day Boys attending doctor's or other appointments must bring a note from home.
