CRICKET MATCH

As I write these few lines the weather outside is atrocious. Hopefully by the time you read them it will be through dark glasses.

Welcome to Old Swinford Hospital School Summer Fete, where I hope you will spend a pleasant afternoon joining in the many activities, watching the Police Dog display, listening to the School Band, or just relaxing around the cricket field boundary.

For the first time this year we have received super support from many of our local shops and businesses who have taken advertising space in our programme. I would like to say a special thank you to The Shoe Snug and Thelmas Ladies Outfitters, both of Hagley Road, Oldswinford, and also Premier Lawn Mower Service, for their gifts, which have been included in our Raffle.

To encourage you to look closely at the advert-isements, we are offering a prize of £5 if you can find three deliberate mistakes. Just fill in the form at the back of the programme and put it into the collecting box which you will find on the darts stall.

All proceeds from today's activities will be put towards providing extra facilities for the boys at the school.

Have a good time.
