Dear Sir.

I take pleasure in writing you to inform you of my address it is six years since I wrote to Mr Maybury so I guess you havn't it. as I have moved to a different town since then. I noticed a letter in the 'Kidderminster Shuttle' asking 'Olds Boys' of the School to send in their addresses.

I was at the School from Christmas 1916 to midsummer 1921 and I left Kidderminster, my home town, in 1923 for Toronto Canada, and stayed there till two years ago and then moving to Brantford where the Telephone was invented.

I am a carpet weaver by trade following the trade of my father and grandfather.

An old chum of mine, Bob Bell of Kidderminster. wrote and told me of the changes in the old School different uniform & a candy store. in

the grounds, (it was sorely needed in my time) and a radio. So I guess I would find a vast difference now.

I hope someday to return and visit the school and be present at a Reunion and meet school friends again.

It is a funny thing I was sat reading the 'Shuttle', waiting to tune in London, Eng. on the radio. for the Armistice service yesterday morning at 5.AM. when I noticed the letter.

We heard the service word for word and the chiming of Big Ben.

I was sorry to hear of Mr Naybury resigning owing to ill health. Fifty years service. 'Well Done'

I should be very pleased to hear from you Sir if you can find the time to write as I guess you are busy now with Christmas ~~Exams~~. Exams.

If you have the address of any Old Boy in Canada I would be much obliged if you would send it to me, as I have not met one here yet.

(3)

Well, Sir. I still have my prizes and 250th anniversary medal and I am sure I shall always treasure them as they bring back to me happy memories.

Brantford is a city with a population of 30.000. and is an old city for Canada, there is a big Indian Reserve two miles away where the Six nations Indians live, and there are some wonderful specimens of log cabins there.

We are only 75 miles away from Niagara Falls and I have been there lots of times, as we have an automobile. It sure is a wonderful sight I have visited there in the winter time when they are all frozen over and it is very nice with all the coloured searchlights played over it

Well sir I must now close hoping to hear from you soon, and wishing you a Merry Christmas & a Happy & Prosperous New Year for you & the School

I remain yours

Sincerely an Old Boy

Dear Weaver,

I was interested to get your letter of November 19th. You must have been as School the same time as myself, and I am trying to place you. My number was 67, perhaps you can remember by that.

We are trying to get together an Old Boys Association, so far we have got about 120 members.

Sometime I will try and give you a call, I am often in Birmingham.

It may interest you to know that I am living quite close to Low Habberley Farm, right by the four turning, if you know where that it.

I do not remember anyone of the name of James Weaver of Low Habberley Farm, but I expect that was before my time.

Kind regards.

Yours faithfully,

James Weaver

65 goals for, 40 against.

The attendance of the Players was good up till Xmas, after which there was a distinct falling off.

After considering the matter it was unanimously decided that it was impossible to carry on the Club, and that appreciation be expressed to Roden and Bridgens for the work they have put in.

The Treasurer put in an account for £1:10:0 for a Silver Medal. This was intended to take the place of the Old Boys Watch. The feeling of the Meeting was unanimous that it would be best to revert to the Watch again. Members of the Committee produced

theirs which they had won years ago, and which they are still proud of.

It was thought that an Old Boys organization based on those leaving under the present Headmaster should be encouraged.

Present.

The Headmaster. (Mrs. H.C. Stone.)
Mr. G. Ryder.
J. Sutton.
H. Kimberley.
W. Johnstone.

The Meeting was called for the purpose of discussing the question of raising a Fund to assist boys on leaving School. The Headmaster reported that the Feoffees allowed him to go up to £26 per annum with grants, and it was thought it might be possible to raise at least £400 as a tribute to the Headmasters of the School, and the £50 Maybury Fund could be absorbed in this. Mr. Kimberley stated that he had had it in his mind for some time, and he is prepared to give £100 to start the Fund, Mr. J. Sutton stated he would give £25, Mr. G. Ryder said he would give £25 next year, and Mr. W. Johnstone said he would try and do the same. It was decided to issue a circular so as to have the matter in trim for the Re-union in 1939, stating that £200 was already in sight. The names of Cutler, Goodall, J. Chance and Carter were mentioned together with Plant, and Bailey.
The following circular was drafted by Mr. G. Ryder and provisionally adopted.

" OLD BOYS BURSARY FUND IN HONOUR OF PAST HEADMASTERS OF THE SCHOOL.

As the result of a discussion between an Old Boy and the Headmaster (Mr. Stone), a small Committee of Old Boys consisting of Mr. George Ryder, Mr. John Sutton, Mr. Harry Kimberley and Mr. William Johnstone, met recently to consider the possibility of the establishment of an Old Boys Bursary Fund for the purpose of assisting boys of the School in the early days after they have left the School, to continue their education or to enter trade or commerce. No such provision exists, and it is known in a number of cases such assistance as is contemplated would be exceedingly helpful.

The proposal was adopted and the scheme is being launched. There is no limit to the amount of the proposed fund, as there is no limit to the need, so that it is proposed that the initial contributions when announced at the 1939 Re-union shall form a nucleus to which contributions by well disposed Old Boys may be added from year to year.

The members of the Committee have guaranteed a sum of at least £200 so that the Old Boys are assured of a good beginning.

The Committee will be much obliged if you will kindly give favourable consideration to their initial appeal by subscribing or indicating your intention to subscribe a definite sum, so that when the announcement ~~of the scheme~~ is made at the Re-union Meeting there will be every encouragement to proceed with the ~~establishment~~ development of this commendable scheme."

It was decided to call another Meeting in October to go into the matter further.

Dec.29th.1938.

W.Johnstone Esq.,
13, Church Street,
Kidderminster.

Dear Mr.Johnstone,

I have delayed replying to your letter of Dec.10th. until after the Feoffees meeting when the question of Trustees was discussed. The view of the Feoffees was that the Trustees should be as follows :

The Chairman of the Feoffees for the time being.
The Chairman of the Old Foleyans Association for the time being.
The Steward of the Hospital for the time being.
The Headmaster ofthe Hospital for the time being.

As the Trustees are appointed by virtue of their office there will be no need for a new deed of trust in the event of one of the Trustees becoming deceased.

I am sending a copy of this letter to Messrs. Ryder, Sutton and Kimberley. As soon as I hear that you approve I will ask the Steward to open an account with the Feoffees bankersand any donation available could then be placed on deposit and would earn interest.

I hope you have had an enjoyable Christmas. With all good wishes for 1939.

Yours truly,

J/6201

Old Foleyans Association

Minutes of the Committee Meeting held at the school on March 29th.1947.
Members present:- The Headmaster, H.J.Cresswell, G.V.W.Carter, K.Matthews, G.Koden, P.Walker, The Sec., and S.Johnson who was asked to take the chair in the unavoidable absence of the Chairman, Mr.Geo.Kyder.
An apology was received from Mr.Kyder who was not at all well himself and was prevented from coming by the necessity of staying with Mrs.Kyder who was ill in bed. The secretary was asked to convey to him the best wishes of the committee for a speedy recovery of both of them.
The minutes of the last meeting were read and confirmed.
Arrangements for the 1947 re-union were then fully discussed.Publicity was the first item and the question of circularising members by post was considered. It was decided that many of the addresses in the hands of the late secretary must now be out of date but Mr. Stone offered to send to the sec. the latest addresses which he had for all boys who were in the school in 1938. The Sec. was instructed to write to all these and to all who attended in 1946. He was also instructed to try to obtain a notice in the B.B.C. Midland News during the week previous to the re-union.
Members of the Committee were asked to forward to the Secretary the addresses of any other old boys they might obtain before May 16th.
The question of Press publicity was then discussed and it was decided that this was on the whole an expensive but not very successful means of advertising as the notice was usually put in some inconspicuous corner where very few old boys would notice it. Mr.Sam Johnson then very kindly offered to see whether the County Express would insert a panel announcing the re-union in his advertisement. This offer was gratefully accepted.
The Headmaster offered to provide tea and sandwiches as in 1946 and at the same price of one shilling.
It was decided that the proceedings should commence at 3 p.m. and that the Annual meeting of the Association should be held in the afternoon this year in the Great Hall at 3-30 p.m.Mr.Stone was asked to give the old boys an account of the school and its functions at the present time as many old boys had quite a wrong conception of the changes which had taken place in recent years and were taking place today. This was to be followed or preceded by an address from the Chairman and the Secretary's statement on the financial position of the Association and of the Bursary Fund.
Finally after tea there would be a cricket match against the present School XI. if a team could be found among the old boys.
Mr. Stone asked the Committee if they were prepared to consider grants from the Bursary Fund to two old boys should the necessity arise as he thought it might in the near future. He was assured that the cases would receive every attention if he should bring them to the Committee.
Meeting closed at 10 p.m.

Old Foleyans Association

Minutes of the Annual Meeting held at Oldswinford Hospital at the old boy's Re-unio n, Whit Tuesday, June 3rd. 1946, Mr. G. Ryder, O.B.E. in the chair. About 40 old boys were present.

1. The minutes of the last meeting were read and confirmed.
2. A discussion took place as to whether Whit Tuesday was now a suitable day to hold the Re-union and it was finally decided that a Saturday w as to be preferred. In 1947 the Re-union was to be held on the Saturday following Whit Monday, i.e. May 31st. It was hoped that many more old boys would be present at that meeting.
3. The Chairman then introduced the subject of the Bursary Fund, reviewing its inception and progress since it was first discussed on July 23rd. 1938. The fund now totalled nearly £550 but most of this money had been subscribed by about six old boys. He appealed for more general support for this fund in order that the original sum aimed at, £1,000, should soon be obtained. He also outlined the purposes for which the fund was used or could be used such as further education for deserving old boys or loans or gifts to advance suitable applicants in their employment or professions.
4. Election of Officers and Committee for the year. The following were duly elected:-

   President - Lord Cobham.
   Chairman - Mr. Geo. Ryder, O.B.E.
   Secretary and Treasurer - Mr. J.L.Harrison, B.Sc.

   Mr.W.Johnstone, F.S.A.A. who had served the Association as Secretary since its commencement in 1929 was asked to continue in this capacity but declared himself unable to do so. A resolution of thanks for his devoted service was proposed,, seconded, and carried with acclamation.
   The Committee for the ensuing year were then elected as follows:-
   The Chairman, Secretary, and Headmaster (ex officio.)
   Mr. W. Johnstone, 13, Church St., Kidderminster.
   Mr.S.Johnson, Victoria St., Stourbridge.
   Mr.G.Carter, Clifton-on-Teme, Worcester.
   Mr.G.Roden, 39, Prescot St., Stourbridge.
   Mr.R.Matthews, Rock House, Camsall, Cookley, Kidderminster.
   Mr.P.Walker, 127, Hill Top Rd., Warley, Birmingham 32.
   Mr.S.J.Priest, 38, Woodward Rd., Kinver.
   Mr.T.Redfern, 143, High St., Dudley
   Mr.H.Cresswell, 9, Beale St., Stourbridge.
5. The headmaster announced that he was trying to get full details of all old boys who had served their country during the last war, particularly of those who had made the Supreme Sacrifice. He invited all old boys to let him have details of any they knew. He also announced that a presentation was to be made to Miss Needham, who had served the school so long and so well as Matron and had now retired. He invited those who knew her well to subscribe to this if they wished.

and recalled how four old boys, Messrs. Kimberly, Sutton, Johnstone, and himself had started it with the first £200 to which Mr.Samuel Johnson had later added an extremely generous gift of £250.Only two dozen other old boys had contributed anything at all. He appealed for regular contributions from many old boys and asked those present to fix their own amounts and dates for payment and let the Sec. have notice of these at the tea table. A collection would be taken on retirement from the tea table to include 1/- for tea and as much more as members could afford as a donation to the general fund.The Headmaster very kindly allowed the Association to keep all this(money ,including the charge for tea.)

d. The officers of the Association were all re-elected to serve for a further twelve months.
The Committee except Messrs Redfern and Priest, who had failed to attend the committee meeting,,had sent no apology, and were not present at that meeting,were re-elected. Messrs.Graham, Turner, and Oakley were elected to replace these members.

8. Tea was taken in the dining hall and at this meeting, 22 old boys made promises of subscriptions to the Bursary Fund and many of these paid then and there.The collection for tea and expenses amounted to £5:16:9d.
The tea was followed by a cricket match in which the old boys beat the Present boys by 84 runs to 61.

OLD FOLEYANS ASSOCIATION.

Minutes of the Annual Meeting held at the Old Boy's Re-union, on SAT. MAY 31st. 1947.

1. There were about 50 old boys present.
2. The meeting was opened by the Chairman, Mr.Geo.Ryder O.B.E., at 3-30p.m.
3. The Headmaster, Mr.H.C.Stone B.A., read the list of those old boys who paid the Supreme Sacrifice during the late war. An act of rememberance was performed by the old boys standing in silence for one minute.
4. The Chairman then introduced the programme for the day. He said that this was the first real Re-union since the war as the one held the previous year had been only a very small gathering.
5. The Headmaster reviewed the present position of the school and contrasted it with the past and what was likely to happen in the future. He and his staff had had a very difficult time during the war years but, thanks to the interest of Lord Cobham, the loyal cooperation of all the masters, and the singularly good behaviour of the boys, they had won their Alamein and they hoped soon to enjoy their V-day. There had been difficulties of requisitioned buildings, of short supplies of food, and of inability to obtain suitable clothing for the boys, particularly those adolescents of unusual size.

   He recalled how the School had been founded with a capital of £2000 and the rents of the Manor of Pedmore as its endowment. In 1880 this capital had increased to about a quarter of a million pounds and the rents had increased correspondingly. The number of boys in the school had been increased from 60 to 180 and there was plenty of money. Now the wheel had turned full circle and a little more and, owing to the decreased purchasing power of money and the control of rents etc. it was very doubtful whether the income was sufficient to maintain 50 boys. The school had therefore to move with the times and open its doors to boys maintained by local authorities. There would however always be about 50 boys who were Foley boys and maintained from the funds of the endowment. All members of the school would have the great and lasting traditions of the school behind them.
6. Mr. Bartlett, the Second master, reviewed all the games of the school during the war years. These records showed that the school had more than held their own in every type of sport, while there were some really brilliant performances.
7. The next item of business and perhaps the most important, was the annual business meeting of the Association.
   a. The minutes of the last meeting and of the committee meeting held in March were read and confirmed. Arising from these minutes, the secretary stated that the B.B.C. had promised to try to announce the re-union on the Midland News but this had not apparently been done.
   b. The secretary and treasurer gave the financial statements of both the general and Bursary funds. The general fund showed a deficit of £4:1:3. and the sec. asked those present to make a special effort to wipe out this deficit and give him a working balance for the next twelve months. The Bursary Fund had increased during the year by £15:9:5d. to £566:17:0d.
   c. The chairman spoke of the inception of the Bursary Fund in 1938

Old Foleyans' Association

Minutes of a Committee meeting held at the School on Saturday April 10th. 1948 at 7.50 p.m.

Members present: Messrs. A.H. Turner, R.W. Matthews, H.J. Cresswell, G.V.W. Carter & the Secretary. An apology was received from Mr. G. Ryder.

Owing to travelling difficulties, the Sec. & Mr. Turner were late and Mr. G.V.W. Carter, being unable to wait, had left before the meeting commenced.

Owing to a misunderstanding the Headmaster, Mr. N.C. Stone, was not present.

The Sec. read the minutes of the last meeting.

In the circumstances it was decided that the only thing to do was to arrange the Re-union, provisionally, on the same lines as that of the previous year subject to the Headmaster's consent.

This was done, and the Secretary was instructed to send out circulars as for the previous year.

Meeting closed at 8.45 p.m.

Dear Mr. Evans,

Use of School Premises by
Old Foleyans Association.

Since the O.F.A. have been holding more than one occasional dance per year it has been necessary to take out a licence for Music, Dancing and Singing in the Great Hall, this, was first done in March 1962 and has been renewed each year ever since. You will see that the licence has been in my name hitherto.

So that there should be no confusion I am appending sections (b) and (h) of the schedule of conditions, these are the particular ones which the O.F.A. are responsible for observing:-

(b) To use the authorised rooms for the purpose aforesaid on the authorised days between the hours of Six p.m. and Twelve midnight except Saturdays when it is between the hours of Six p.m. and Eleven-thirty p.m. only and at no other times, unless authorised by the Justices in Petty Sessions under the said Act.

(h) Whilst the authorised rooms are being used under this licence the following are the maximum number of persons (including the performers and attendants) who may be therein:-

Whilst Dancing is in progress	150 persons
Whilst any Musical entertainment for which the entire audience is seated	250 persons.

The Licensee is responsible for keeping a check on the number of persons, and shall be prepared either himself, or by some person authorised by him immediately on request, to inform a police officer in uniform of the number of persons in the authorised rooms.

Yours sincerely,

Dear Mr Evans

Thank you very much for your kind and generous donation of £250 to the Keiran Duffy Memorial Fund on behalf of the Old Foleyans' Association. Their contribution will help Kieran's name to be remembered down the years and provide a tangible way in which boys who are recipients of the benefits of the fund can remember a talented and distinguished Old Foleyan who gave his life in the service of his country.

I am very appreciative of the Association's help.

Yours sincerely

International Scientific Expedition to New Zealand, 1993.

Dear Mr. Evans,

I write to you in the capacity as Director for the above research/adventure programme.

My position at Old Swinford Hospital, is that of Head of Earth Sciences, and within the scope of our work, we have set up a Geo-sciences Expedition society. The main 'event' of 1993 is what has been described to me by many people recently, as 'the trip of a lifetime'.

We intend to fly to Christchurch on 29th March, link with other personnel from N.Zealand, and carry out some very worthwhile studies, the data from which will go towards the further understanding of the global warming phenomena.

Altogether, 51 staff and students are due to leave the U.K. Most of the participants are from O.S.H., with 8 only from my previous school, Queen Elizabeth Grammar, in Kent, and one or two professional academics from the University of East Anglia, Environmental sciences Faculty.

Having spoken with Mr. Potter, and also Mr. Davies, I have been encouraged to put the matter of financial aid before you, for consideration.

Our flights have been heavily subsidized by Air New Zealand, but we are left with a residual cost of £522 per person, plus an additional £5 for airport taxes in Auckland, and £20 for the return transfer from Christchurch to Mt.Cook.

Each member of the party is putting in £500 towards these costs.

Our overall budget for this project has been considerable, at £344,000. So far due to an incredible effort by all concerned, we have managed to raise most of this 'in kind', i.e. we have been offerred free accommodations, subsidized flights, food has been supplied, printing costs covered and so on.

I wondered if, on behalf of boys and staff of Old Swinford Hospital, I might apply to you now for a grant to cover the shortfall in our travel costs.

Headmaster: J. W. F. Blackford, MA

I therefore request your consideration of 36 * £22 = £792-00 to cover the flights
In addition, might you consider the
remaining travel shortfall.....36 * £5 = £180-00 (airport taxes)
36 * £20 = £720-00 (coach transfers)

Any amount towards these totals would be greatly appreciated by all concerned.

We have recently gained the full support and backing of the Young Explorers Trust (Y.E.T.) ,plus a £250 donation, and I have an Interview with the Royal Geographical Society soon, where the scientific values will be under consideration. Should this prove positive, then we fully expect to receive, not only the R.G.S. support and validation, but also a small grant.

During the last two years, we have been very fortunate in securing the degree of help and interest that has been generated. The BBC are now asking if they can send along a Director and Cameraman to film a documentary of our work, and the N.Z.National Geographic Magazine have applied to us to allow one of their Photo/journalists to live with us on the glacier in order to interview students and photograph them in action for a feature story in their international literature.

I do have some more negotiating to conclude with the BBC, as they want us to cover their team's flight costs. I am of-course trying to work around this request, by offering to supply accommodation and food (which is free to us in any case). Whether they pull out if I do not eventually agree to meet flight costs is questionable, but we certainly do not have the funds for this, even though it would be excellent publicity for Old Swinford Hospital.

The British Council has pledged its support and is partially funding the first 3 years of this programme (it is initially planned to run the programme for a 5 year period), and the first £2000 has already been deposited into a bank account I have opened in Twizel, with the N.Z.National Bank.

As you can see, we secured the early support of both Chris Bonington, CBE and Sir Edmond Hillary, and I have since received letters of good wishes from HRH the Duke of Edinburgh, HRH the Prince of Wales, HRH the Duchess of Gloucester, and Sir Vivian Fuchs in the U.K., whilst everyone in N.Zealand is also very positive.

The Mayor of Canterbury was very interested when I visited her last year, as were delegates from the British High Commission in Wellington. The Department of Conservation, who runs all National Park areas has promised us every assistance possible, the Hillary Commission, the New Zealand Mountain Safety Council and the N.Z. Tourist Boards have all been most generous. All the Universities are becoming involved in some way too.

We have our 'expedition guidebook' in press at the moment, and this will be followed by various publications after our return. These will include scientific papers, as well as popular reading materials. Lectures and slide shows will be delivered (this is a compulsory part of YET and RGS applications) and altogether, the momentum and thereby the opportunity for advertising Old Swinford will be enhanced for some time to come.

Any investment you feel able to make at this time, will not only serve to help the boys of O.S.H. but will also guarentee a fair amount of media exposure for the school.

I look forward to your reply in due course, but would like to take this opportunity of thanking you in anticipation of a favourable response.

Yours sincerely,
