THE SCHOOL RULES

"Always treat others as you would like them to treat you." (Matthew 7:12)

1 Introduction

Old Swinford Hospital is a community which places a strong emphasis on consideration for others, good manners, smart appearance and hard work. All members of the School community and others with whom we come into contact deserve respect and appreciation.

We all have a duty to preserve the good name of the School, to care for the fabric of the School buildings and the appearance of the School grounds and to act in an environmentally responsible manner.

Being a member of this unique community is a privilege and we all have a duty to preserve the good name of the School. This privilege brings responsibilities with it.

The School Rules and Code of Conduct for Students set out the basis of how those responsibilities are to be discharged. These apply at all times when pupils are in the care of the School and at other times when they may reasonably be associated with it.

Behaviour

Nothing must be done by any member of the School community that will adversely affect the right of any other member of the community to enjoy and benefit from being a member of the School, or which may expose them to harm.

In particular, the School will not tolerate:

- Bullying in any form, whether physical, verbal or emotional
- Rudeness, violence or disorderly conduct
- Theft or damage to the property of others
- Disruption of any kind to lessons or other activities
- Insolence or disobedience towards those in authority
- Otherwise inappropriate behaviour

Smoking is not permitted at any time and pupils must not have cigarettes, matches, lighters or associated materials in their possession.

Pupils must not bring alcoholic drink onto School premises or consume alcohol except under the supervision of a member of staff at an approved School, Sixth Form or House event. It is a condition of the School Premises Licence that students may only consume two units of alcohol at such an event. Pupils may not visit licensed premises except as provided in the Regulations for Leaving School Grounds.

Sexual activity involving students is a breach of the School Rules.

Pupils must not possess or use any illegal drug. Any pupil who becomes involved with illegal drugs in any capacity is liable to be permanently excluded from the School. The abuse of solvents is considered in the same way as the abuse of drugs.

Appearance

Pupils must dress in accordance with the School Dress Code. They must be clean, neat and tidy at all times. Hair must be of a moderate length and of an acceptable style. Highly bleached or unnaturally dyed hair is not permitted.

Make up and jewellery, where worn, must be unostentatious.

All pupils must accede to the reasonable requests of senior staff with regard to appearance.

Pupils' Property

Pupils have a responsibility to safeguard their own property as well as to respect the property of others. All property and clothing must be clearly marked with the name of the owner. Lost property should be handed to the Deputy Headmaster to whom all losses should be reported.

Substantial sums of money should not be kept by pupils but should be paid into the Finance Office or handed to the Housemaster for safekeeping. Sixth Formers may operate their own bank or building society account.

Pupils may not bring to School any weapons, solvents, fuel or other dangerous articles. Pupils may not have in their possession any material of a pornographic, defamatory or otherwise offensive nature.

All electrical equipment must be registered with the Housemaster and be submitted to regular PATs testing. Any equipment which fails a PATs test or which is not submitted for testing may be confiscated by the Housemaster and disposed of at his discretion.

Mobile phones and other electronic equipment may only be brought into School and used in accordance with the School's policy on the Use of Electronic Equipment. Mobile phones must be kept switched off during assemblies, lesson times, activities, prep and after lights out. They must not be used in the Dining Hall or the Library or at any time when forbidden by a member of staff.

Pupils' property is brought to School at the risk of the owner and must be insured by pupils or their parents.

Pupils' may not buy and sell possessions except with the approval of the Housemaster or as part of an approved School activity. Pupils may not lend or borrow money or valuable items other than in exceptional circumstances and with the approval of the Housemaster.

School Premises

All pupils must take care of the School buildings and grounds and do nothing to cause avoidable damage. The writing of graffiti is forbidden. If damage occurs it must be reported at once to the Deputy Headmaster or to the Housemaster if in a Boarding House.

Pupils are expected to do their utmost to act in an environmentally responsible manner. Pupils must not drop litter and should take the initiative in clearing up any litter that they see around the School site. Pupils must use the facilities provided to recycle drinks cans and other recyclable items. Lights and other electrical equipment, including computers, must be turned off when not in use. Radiators should be turned down to the minimum comfortable setting.

Pupils must respect wall displays in classrooms and corridors and protect them from damage. The chewing of gum is prohibited.

Food and Drink

Pupils must attend all meals to which they are entitled. Queuing outside the Dining Hall must be orderly and good manners must be observed once inside. Food, cutlery and crockery must not be removed from the Dining Hall.

It is the responsibility of pupils to maintain all areas around the School used by them for the preparation of food in a hygienic condition.

Skateboarding and Rollerblading

Pupils may skateboard or rollerblade during recreational time provided they are wearing the correct safety equipment (helmets, elbow and knee pads) and use safe specified areas. No adaptation of the School environment is permitted. Areas around Boarding Houses must be avoided during examination periods. Skateboarding and Rollerblading is not allowed beyond the School site.

Information Technology

Pupils must use the Information Technology infrastructure of the School responsibly and according to the Information Technology User Policy. Pupils must not possess or use the internet to access or attempt to access material of a pornographic, defamatory or otherwise offensive nature. Every care must be taken to avoid introducing viruses the School network. Pupils must not interfere with computer hardware, attempt to override the network security measures or perform any other unauthorised action using the School's computers or network. Pupils using their own computing equipment in School are subject to the same rules as those using equipment provided by the School.

Plagiarism

Pupils must not copy, or attempt to copy, material from another pupil or any other source and represent it as their own unaided work. Pupils must respect the copyright of published material (guidance published by JCQ defines plagiarism).

Punishments

No form of corporal punishment is allowed in the School.

All punishments must be imposed in line with the School's policy on Rewards and Sanctions.

In addition to members of staff, School and House Prefects have limited authority to impose punishments under the direction of the Deputy Headmaster and Housemasters.

All punishments imposed by staff or prefects must be recorded in one of the following ways:

Deputy Headmaster's Punishment Book

School Prefects' Punishment Book

House Punishment Book

Punishments imposed by the Headmaster or Deputy Headmaster are recorded in a letter to parents and in the pupil's School Record.

All punishments imposed must be fair and proportionate. An appeal against a punishment may be made to the Deputy Headmaster or Headmaster but an appeal does not prevent a punishment taking effect immediately it has been imposed.

The Headmaster has the authority to exclude pupils from the School either temporarily or permanently. Parents of pupils excluded for more than three days have the right of appeal to the Discipline Committee of the Governing Body. The Headmaster also has authority under the Boarding Contract to require that a pupil be withdrawn from the School's boarding accommodation.

REGULATIONS FOR REGISTRATION, ABSENCE AND LEAVING SCHOOL GROUNDS

Registration

All pupils must register in their houses (or in the Sixth Form Centre for Sixth Form day students) at 0820 each morning, including Saturdays, and at 1325 on weekdays. Saturday afternoon registration is observed as required. A pupil who is late must report to the School Office as soon as they arrive. Students when registered must remain on site.

Absence Due To Illness

Any absence due to illness must be reported to the School Office by 0830 on the first morning of absence.

Prolonged absence of more than three days should be reported in writing to the Housemaster. It is essential that a letter giving reasons for any absence should be sent to the Housemaster as soon as possible after a pupils' return to School.

House and School Exeats

House Exeats may be granted by Housemasters for absence from School outside normal lesson time or for reasons such as medical appointments. An exeat form is available from the School Office.

School Exeats for absences of longer than one School day or where lessons are missed must be obtained from the Headmaster. Application must be made in writing at least two weeks in advance. It should be noted that the Headmaster and Governors actively discourage parents from withdrawing pupils from School during term time (including Adventure Week) for holidays as this adversely affects pupils' progress and attainment.

Illness at School

A pupil who is taken ill during the School day must report to the Medical Centre and must, wherever possible, inform personally or by messenger, the member of staff whose lesson or activity will be missed. In the evening, pupils report to the House staff on duty.

Off Games Notes

An outboarder, dayboarder or Sixth Form Day Student who is unable to participate in PE, games or other physical activity must provide an appropriate parental note for the Head of Physical Education. A doctor's note is required for periods of longer than one week.

Visiting Down Town

Pupils must check out and in personally with the House Duty Member of Staff. The direct route there and back must be used and pupils should be in groups of two to four. No pupil should be out for longer than 30 minutes.

Pupils must sign out/in in the appropriate House Down Town/Village book and must sign in again on return.

School uniform must be worn when visiting the town except after lunch on Saturday and throughout Sunday. Appearance must be smart, and manners and behaviour exemplary. Food and drink must not be consumed in the street. Staff, parents and friends of the School should be acknowledged politely. Pupils must avoid loitering or walking in groups of more than three.

Other Visiting

Pupils are not allowed to visit any other part of Stourbridge without express permission of House Staff. Mary Stevens Park is out of bounds during term time.

Visits to Authorised Public Houses

When a boarder reaches the age of eighteen he may visit one of the authorised Public Houses provided that parents/guardians have given written consent to the Housemaster.

A copy of the consent letter should be forwarded to the Deputy Headmaster who will keep a central database which will be displayed in Barn Block.

Consent will be given at the Housemaster's discretion. If there is a serious breach of House or School Rules consent may be withdrawn by the Housemaster at any time.

The list of authorised Public Houses will be reviewed regularly. Public Houses in Stourbridge Town Centre (within the ring road) are out of bounds.

Bicycles are kept at School at pupils' own risk and must not be ridden in the School grounds. Bicycles may be used by their owners only. Bicycles must always be kept in a fully roadworthy condition and appropriate safety helmets and reflective clothing must be worn.

Day boarders and Sixth Form Day students who have passed their driving test may drive to and from School provided a parental consent form has been completed and returned to the Deputy Headmaster. No student may travel in a vehicle driven by another student without the permission of parents and the Deputy Headmaster. The School does not undertake to provide parking facilities for students' cars.

In exceptional cases, boarders may be permitted to drive themselves to School. Parents must have first written to gain permission from the Headmaster. Boarders must surrender car keys to their Housemasters when the car is not in use.

Any student who is convicted of any motoring offence is liable to have permission to drive to School revoked.
